ESTABLISHED 1860

VOL. NO. 73 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, SEPTEMBER 13, 1934 | NO. 21

RECORD ATTENDANCE FOR SCHOOL OPENING

Cameron public schools opened Monday for the fall term with the largest registration in history, it was reported from the office of E. A. Perrin, Superintendent.

A total of 478 students registered for Yoe High school and 445 students registered for the grades on opening day. This makes a total of 923. Contributing to this increased attendance are rural pupils transferring to the high school advantages of the city. Of the total number 337 are transfers. On the first day 112 students registered who had not heretofore attended school in an independent district.

Included in the number are 13 post graduates. There are 33 teachers employed for the schools in addition to the superintendent.

Opening of the school was preceded with the usual chapel program in which Mr. Perrin made his first official address to the student body. The only occurance to mar the program was difficulty at first to bring the students to order. In times past confusion and often times disruption of chapel programs have resulted from lack of order.

Mr. Perrin expressed his desire for co-operation and said that a policy of strict discipline would be maintained at all times in and out of the school building during his term of office. Parents are asked to co-operate.

Neither of the seven board members were present for the opening of the schools. Trustees ordinarily attend the opening of the schools.

Mr. Perrin is pleased with the outlook for the future of the schools. Instead of a week of lax duties students were required to immediately begin their work.

A system of school clubs is expected to be worked out later in the school year.

N. D. Timmerman of the First Baptist church was present for an address and on Wednesday again ap-

(See SCHOOL on page 4, this section)

KNOBERS ROB SAFE

Knob knockers with professional skill looted the safe at the Green & Boedeker Stores Sunday night.

The safe was rolled into the rear of the building and hammered open by the burglars. An amount of money unaccounted for was taken from the safe.

In addition to the money approximately $50 worth of merchandise was stolen from the store. The stolen goods include two rifles with a quantity of ammunition and some cuttlery. In the grocery department cigars and cigarettes were stolen.

Sheriff Blaylock, investigating the burglary, believes the store was entered and looted around 1:30 a. m.

Father Apel Will Be In Church On Sunday Sept. 16

Rev. Father Apel, who has returned to America from an extended stay in his native country of Germany, will be in his parish pulpit at St. Monica's church Sunday September 16.

Greetings from Father Apel to the Herald from Houston announces his intention to be here Sunday. He had left Houston Wednesday for Cameron and is anxious to meet his many friends on his arrival here.

Through the columns of this newspaper the people have been kept advised from time to time of the sojourn in Germany where after many years he went back to his native village. Among the interesting things on his visit was the Passion Play.

Nine Cases Fail To Enter In Trial

Nine cases set for trial in District Court Wednesday were continued when defense attorneys convinced the court that insufficient time had been given by the district attorney.

The cases were against three defendents and involved theft of cotton seed, it was said.

Dallas Awarded Major Centennial Exposition in 1936

The major celebration of the Texas Centennial in 1936, will be held in Dallas. The Centennial Board made the announcement Sunday in Austin after giving lengthy consideration to bids of Houston, San Antonio and Dallas. Along with the major exposition, other celebrations will be held over the state at points of historical interest, such as Brenham, Houston, Galveston, San Antonio, Goliad, Gonzales, Huntsville and other cities. Above is a new airplane view of downtown Dallas. The exposition will take place on the State Fair grounds (greatly enlarged,) a scant two miles from the center of the area pictured above. (Texas News Photos.)

Brazos Flood Plan Remits County $1,822,000 In Taxes in Twenty Years

Although doubtful of attainment, a bill introduced in the Senate, Austin, las week proposing to harness waters of the Brazos River marks the first attempt to bring about long discussed flood control, reclamation and hydro-electric possibilities in the great water-shed of the stream.

The bill proposes remission of state ad valorem taxes for a period of 20 years in ten Texas counties, one of which is Milam.

Records show that in 1933 the sum of $91,102.61 was due the state on assessed values. Based upon the present valuation and over a period of 20 years the total tax remission to the county would be $1,822,040. The bill provides that any increase in tax valuations would go to the state.

So far no known local effort has been forthcoming to support the movement. It was agreed generally that the project would be favored. The estimated proceeds from the tax remission in the counties is $300,000 annually and this amount was being cited as a guarantee of state participation with the Federal Government which is asked to advance $50,000,000 as a loan.

Revenues contemplated beyond express the view that the entire project could be made self liquidating and that no tax money would be necessarily utilized in repayment of the loan.

Revenues contemplated beyond salvage to lands are believed to issue from power possibilities. Senator Bob Poage said the project as contemplated under the bill gives a definite guarantee that no power company could realize exclusive benefits agressively against the interests of the people.

The plan provides for construction of a series of impounding reservoirs for flood waters, none of which are in Milam County.

FOOD SHOW AND STYLE EXHIBIT OCTOBER 11

A style show and pure food exhibit to be made a community enterprise and large enough to rival a fair will be held for three days October 11, 12 and 13 in the building just vacated by the Cameron Furniture Company.

Mr. and Mrs. Walter L. Cannan will sponsor the show and proceeds from its operation will go to the church. A small admission charge will be made plus space for booths to be sold to merchants.

Already sufficient interest has been shown to guarantee the exhibit and the pastor was proceeding with plans, having already received the indorsement of a local civic organization.

These exhibits have been staged by the pastor and wife in other Texas cities. One half of the building will be given over to commercial booths by merchants who will arrange exhibits. The other will be reserved for agricultural and domestic art exhibits.

In the center of the building will be erected a stage where continuous entertainment will be given each day of the show. These entertainments are to be supplied by local talent.

The entire community is asked to join in the enterprise. It is in no sense a church movement, but is staged as a community show and for the benefit of the community and business men and citizens.

Grass In Yard Is Guarantee Against Soil Wastage

"I find that grass in my front yard keeps the sand from blowing, the soil from washing away, and my yard even appears larger since I removed the shrubs and flower beds from the lawn and planted grass," Mrs. B. J. Kilpatrick, Yard Demonstrator for the Gause Club, told the Home Demonstration Agent.

While checking over her year's accomplishments, Mrs. Kilpatrick stated that she has 51 foundation shrubs, 23 native trees and plants, and 12 roses living as a result of her work as demonstrator this year.

Earns 3 Degrees

Caso March, 23, of Fort Worth, who will receive his Master of Arts degree from Baylor university Aug. 15, sets an all-time record at Baylor by having earned three degrees in five year's time, according to university officials. He has already received his Bachelor of Arts and Law degrees.

COTTON REPORT

There were 23,383 bales of cotton ginned to September 1, 1934 as compared with 21,767 for the same period of 1933. This report is supplied by Ray O'Neil, cotton statistician for the Department of Commerce.

RAY O'NEIL NAMED COURT REPORTER

Ray O'Neil of Burlington has been appointed court reporter for the District Court of Milam County by Judge W. G. Gillis.

Mr. O'Neil will enter upon his duties on January 1, it was announced.

Chas. Pollard, who has been court reporter for the past 20 years, will retire from the office when Mr. O'Neil's appointment becomes effective on January 1st.

Mr. O'Neil has been making preparation for some time to take this office tendered him by Judge Gillis. Prior to this tender Mr. O'Neil had graduated from business college and his recent work at Waco has been in the nature of special preparation for the position in the court here.

Born and reared at Burlington he has been active in affairs for years, is a World War veteran and prominent young democrat. Friends congratulate Mr. O'Neil and his fine family on their coming residence in Cameron. They now reside in Burlington adjacent to their farm.

AGED SLAYER OF BROTHER FACES MURDER TRIAL HERE

Tom Anglin, 72 year old slayer of his brother, Lee Anglin, on their farm near Friendship in July of this year, has been indicted for murder and will be called for trial on September 26th.

This strange slaying that took the life of his aged brother occured when Tom Anglin and Lee Anglin quarreled over the cooking of some eggs for supper. In the gathering darkness around the farm home guns blazed and Lee Anglin fell dead with a wound in the body. His aged mother was in the home at the time of the shooting, as was a nephew of the aged brothers for whom the eggs were being cooked.

Anglin has been held in jail without bond since the slaying.

Blaylock Attends San Angelo Meet Texas Sheriff's

Sheriff Leonard Blaylock is in San Angelo this week attending the annual convention of sheriff's in Texas. The Association, of which Mr. Blaylock is an official, will be in session until Friday. The Milam county sherff is a member of the finance committee for the association.

It will be the last convention Blaylock will attend as a sheriff. He will retire from office on January 1. He is widely known and respected among peace officers of the state and great Southwest.

Requiem High Mass for the Moro Castle Victims; Parish Planning Bazaar

Plans were made on Monday night by the parishioners of St. Michael's church, Burlington, to hold their second annual Church Bazaar on Sunday, October 7th. The various committees in charge were elected. Entertainment is promised for the old and young, the celebration beginning in the morning after the church services with a parade thru the town. A very efficient committee is in charge of the dinner and supper which is to be served. Mrs. B. Crenan was named as general chairman and John O'Neil treasurer of Bazaar.

Rev. T. F. O'Sullivan, the new pastor, of St. Michael's church, was present at the meeting. He exhorted all present to show their individual interest and co-operation in the Bazaar. He also announced the fact that from November 4th to the 11th a mission is to be conducted at St. Michael's.

The Mission will be given by Rev. Ambrose Smith, one of the finest Dominical Missionaries now connected with the Southern Mission Band. It was also announced at the meeting that the ladies of the Altar Society are sponsoring an ice cream social next Sunday evening from 6:30 until 9 o'clock.

Father O'Sullivan mentioned at the conclusion of the meeting that a Requiem High Mass would be offered for the victims of the recent Morro Castle disaster on Monday morning at 7 o'clock.

MAY CONDEMN LAND FOR RIGHT OF WAY

Condemnation proceedings may be necessary to complete right of way asked by the highway department between Cameron and Minerva. The road under construction runs through Cameron.

Judge Jeff T. Kemp said the county had authorized Auditor C. R. Isaacs, to negotiate and to purchase the right of way and with few exceptions the properties have been obtained.

The county is paying $40 per acre for land necessary for the road. After crossing Little River at Lamkins Store the road leads east and through a new territory in order to avoid the Sandy Creek bottoms. This land is sandy and not worth $40 per acre but in case of public purchase prices are always higher.

Right of way acreage on the road now under construction from Cameron to Ben Arnold was paid for at $40 per acre in the black land belt.

Representatives in the delegation at the Commission meeting in Austin Monday were told that the present project must be completed before any other appropriations can be made.

McLane & McLane In Big Food Sale Here

Repeating their former sales and doing better by the food buyer the McLane & McLane Grocery this week announces a sale of interest to homes and families over the trade territory.

In the face of advancing prices for food products an exceedingly law level of prices are maintained for this sale making buying advantages doubly attractive there.

The store hopes to see a large number take advantage of the bargains thus offered.

Largest Order For Prescription Pads Placed With Herald

The largest order for printed prescription blanks ever given in Cameron has been tendered the Herald plant by Dusek Pharmacy. The order is for 50,000 blanks requiring eight original packs of paper 128 pounds.

This order is purchased at code prices by the pharmacy. For the information of the public the publishers would have it known that in quantity production printing prices are much lower than under previous schedules.

This order is not only a compliment to the publishers but indicates a healthy business at the prescription counter of this drug store and the confidence of physicians.

TEXAS DEMOCRATS IN HARMONIOUS SESSION

In a scene strange to Texas politics Jimmie Allred, 35, young boy attorney general of Texas, was loudly acclaimed next governor of Texas at the State Convention of Democrats in Galveston Tuesday.

Former Governor Pat Neff who first named Allred to the District Attorney's office in Wichita County, presented the nominee to the convention. Both hold the same political views. Thus after a lapse of years the well known Neff reform ideas return to Texas and the coming two years may be expected to bring curtailment to the wave of liberalism that has swept the state.

While giving a ringing indorsement to the traditional principles of the party and the Roosevelt administration the reformers little remembered that the Democratic victory in 1932 was both radical and liberal.

Jim Ferguson, the old rhinoceros of Texas politics on whom the rising tide of ne'er do wells have sharpened their teeth for 20 years, lay prostrate, done to death by the mesquite gavel of John Garner who became national committeeman in the new deal landslide.

Planks in the platform of note are the declaration for the submission of prohibition and repeal of the law legalizing wagers on horse racing. Resistance of federal control of oil production in Texas is declared.

No vice president has previously held the national committeeman's job and there eminates from this selection the report that in event it appears strategic Garner will be shelved as a candidate with Roosevelt in 1936 in favor of a progressive from a doubtful state.

The state executive committee is composed solely of men chosen by Allred who pleads for harmony from all Texas factions.

COLEMAN STORE TO OPEN FRIDAY NIGHT

Formal opening of the Coleman Furniture Company and the Coleman Funeral Home is announced for 7:30 Friday evening, September 14th.

The firm will celebrate with friends over the opening of the new building which fronts south next to the Stewart Grocery.

Orchestra music will aid in the entertainment. Of especial interest is the souvenir or award program. Merchandise will be presented to the value of $25 and all are invited to

(See COLEMAN page 4, this section)

Mexican Colony To Celebrate National Holiday Sept. 16

To the General Public:

The Mexican Colony of Cameron cordially invites the citizens of this city to the celebration of our Independence Day.

As we always offer our good will to our friends we also announce that in representation of the Mexican government, assigned by the General Consul of San Antonio, Texas, we will have as our guest the Honorable E. G. Dominguez, vice consul, who will speak in Spanish and probably in English on Saturday night September 15th.

Our thanks by the committee,

President: G. Rubio.

Secretary: E. Villaneuva.

Canning Head

Miss Grace I. Neely, of the Texas A. and M. College Extension Service, has been named state canning supervisor for the Texas Relief Commission. Her work is carried on under direction of the Extension Service at College Station. (Texas News Photos.)

DALLAS GETS MAIN CENTENNIAL SHOW

Texas 1936 Centennial Celebration main unit will be profited in Dallas because $7,377,000 was bid by the city.

Houston and San Antonio were routed in a display of generosity by Big Dallas. Public issues of bonds to be levied against the people will pay for the centennial site and exhibitions. Houston put $6,507,000 while San Antonio the cemetery of Texas History could offer but $4,831,000. Dallas bid her amount it "raised" and was given the main celebration.

Texas legislature has yet to appropriate millions for the celebrating which aside from its attempt to exemplify achievements of her people will offer great possibilities for private profit in Show centers favored by the attractions.

This matter to be settled by vote from the people was authorized at an avalanche of amendments to the constitution in the fall of 1932. Reports indicate the state's share might be $5,000,000. Details of the celebration must wait until the Legislature decides on how much to levy.

Mr. and Mrs. Leland Green, Jr. are rejoicing over the arrival of a fine young son, Friday evening September 7th at the Cameron Hospital. He has been named Leland Green the Third. He tipped the beam at seven and one-half pounds. Mother and babe are doing nicely. His grandmother, Mrs. M. E. Looney of Calvert came in last Saturday on a visit with her daughter, Mrs. J. Z. Young, mother of Mrs. Leland Green, Jr.

ANOTHER ATTEMPT TO TRY HARRY ROGERS

Another attempt will be made here on September 17 to proceed with the trial of Harry Rogers. Convicted in September 1933, the case, on appeal was reversed and sent back for retrial.

Rogers is charged with the crime of shooting and killing Garnet Bearden in a night quarrel near the Bell county line in May 1933. Both youths lived at Rogers. Since the case was reversed several unsuccessful attempts have been made to try the case.

It is reported from the office of the District Clerk that a venire of 200 men had been drawn for this case.

Jack Lewis, former criminal district attorney, is defending Rogers. R. A. Camp of Rockdale is assisting criminal district attorney Burns in the prosecution.

May Enter Business In Cameron Soon

Hymie Marvis of Caldwell was in Cameron Tuesday on business. While here he called at The Herald office to advance his paper two years. He became a reader last year.

During the late war and following he was in business in Burlington and Bowlrud and now has under consideration plans to move to Cameron and engage in the grocery business. He plans to return to Cameron late this week if possible to prospect for location.

Mrs. Marvis and their children accompanied him to Cameron.

E. F. Sidel and son of Burkdale were Cameron visitors Monday.

GAUBE H. D CLUB

The Gaube Home Demonstration Club met at the home of Mrs. Leon Bowling for a nail day meeting September 4. Eight members and two visitors, Mesdames I. Varner and Bob Goode were present.

A demonstration on how to make school lunches more attractive and nourishing was given by Miss Bertha Fae Strange. Various recipes were exchanged.

Mrs. Leon Bowling was elected as delegate to attend the Foundation Pattern school at Cameron September 22 and 23.

Everyone was glad to have our president, Mrs. Conova, who had been absent all summer, back at her job again.

Next meeting will be held at the home of Mrs. Conova September 28. The officers will then be elected and demonstrators selected.

Judge Ed Gunn of Rockdale was a legal visitor in Cameron Monday.

C. O. Matlock and family of Corsicana have arrived to spend the winter in Cameron. He is engaged in work on the State highway.

Mrs. William Harris McKinney, a recent bride, of Port Arthur, is here on a visit with Mrs. James Baskin and other relatives in Jones Prairie.

Many friends in Cameron will be glad to hear that Mrs. L. C. Gayle of Waco is improving from a serious illness.

Mrs. James Baskin and guests made a trip to Austin Monday of last week and enjoyed the sights of the capital city.

FORMAL OPENING

Friday Evening, Sept. 14th

7:30 O'Clock

Coleman Furniture Co.

and

Coleman Funeral Home

The program of entertainment for our guests of the evening includes Orchestra Music and FREE Gifts of Merchandise.

Two presentations will be made during the evening with a total value of $25.

Come and be with us and get your souvenir and inspect our New Store and Funeral Home—both modern and offering greater advantages to you.

OPENING SALE

The Sale to celebrate our opening in the new building will begin Saturday morning, September 15, at 9 O'clock.

REDUCED PRICES WILL FEATURE THIS SALE !

YOU ARE INVITED

Be sure the gas appliance you select carries the approval of the American Gas Association Laboratory . . . your assurance of safety and lasting satisfaction.

"OK"

"that new water heater is a pip!"

Gas water heaters and other modern gas appliances are available also from your dealer. See his displays.

Last week's introduction of this radically different water heater set the town talking. Its revolutionary improvements and smart appearance won instant approval. It's one of the new gas inventions we want you to see. So, won't you drop in? You'll also be interested in special introductory low price and trade-in allowance.

FAUCET-ACTION: The faucet's opening starts gas burning and hot water flowing with instant synchronization. You get hot water *every time.*

FAUCET-CONTROL: Main gas burner is open only when the faucet is open; closing the faucet closes the burner. You pay only for the hot water you use; you control your own gas bill.

FLOW WITHOUT LIMIT: Heating is in direct ratio to water flow. The hot water supply *cannot* be exhausted.

NO TANK: Service is not limited to a tank capacity because there is no tank—likewise no waste heat from tank radiation.

ALL BRASS AND COPPER: Hot water is reservoir-fresh and free from rust because all waterways are of brass and copper.

INSTALLATION FLEXIBILITY: Model W can be installed anywhere—in basement, kitchen, or on the back porch, on the wall or on the floor—whereve flue and gas are available.

DE LUXE BEAUTY: Its procelain-enameled jacket with bright-lustre chrome trimmings will harmonize everywhere.

Notice To School Patrons

The Public Schools open September 10th. Be sure that your children are well equipped as to their vision before the opening of school. If they failed to make the required grade last year, it is possible that it was because of poor vision. Do not blame the child until you have satisfied yourself as to their eyesight. See that the child has an even break with the other children. Have their eyes examined before school starts. We will tell you if glasses are needed.

First Terracing Of 1934 Fall Season On Lehnert Farm

E. A. Lenhert, Cameron farmer four and a half miles out on the old Waco road, holds the distinction of being the first to have terrace lines run on his farm this fall. Fourteen terraces, totaling 5,300 yards were run on his 58 acres of cultivated land Tuesday by E. D. Parnell, Cameron Vocational Agriculture teacher, and three Future Farmers , Leon Leonard, Ed Wilson and Oscar Zotz. The terraces will be built by county road machinery, Mr. Lenhert says, and the fills will be made with a fresnoe by laborers on the farm. Most of the 58 acres slope 3 to 5 feet per hundred but the land is new and not washed badly.

"Terraces sure increase yields," Mr. Lenhert says, "as the terracing of my father's land a few years ago caused an increase in yield of cotton from 9 bales to 20 bales in three years' time."

More than twenty farmers have already asked for terrace line running by members of the Cameron Vocational Agriculture class members, Parnell says.

STOP THAT ITCHING

If you suffer from skin trouble, such as Itch, Eczema, Athlete's Foot, Ringworm, Tetter or Pimples, we will sell you a jar of Black Hawk Ointment on a guarantee. Price 50 cents. Leo Laake Drug Store in Santa Fe Town. tf

THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County, Greeting:

Geo. T. Graves, Administrator of the Estate of Joel B. McQueen, deceased, having filed in our County Court his Final Account of the condition of the Estate of said Joel B. McQueen, deceased, numbered 2214 on the Probate Docket of Milam County, together with an application to be discharged from Administrator of said Estate.

You are hereby commanded, that by publication of this Writ for ten days in a newspaper printed in the County of Milam, you give due notice to all persons interested in the Account for Final Settlement of said Estate, to appear and contest same if they see proper so to do, on Monday the 17th day of September, A. D. 1934, at the Court House of said County, in Cameron, Texas, when said Account and Application will be acted upon by said Court.

Given under my hand and seal of said Court, at my office in the city of Cameron, this the 5th day of September, A. D., 1934.

HOMER NABOURS, Clerk,
County Court, Milam County.
By Christine Kubecka, Deputy.

I hereby certify that the above and foregoing is a true and correct copy of the Original Writ now in my hands.

L. L. BLAYLOCK,
Sheriff Milam County.

2. Against defects for life.
G3

Skids cause 5½ times as many accidents as blowouts (insurance records)! How's the GRIP on your tires? How does it compare—in quick-stopping safety—with the New "G-3" Goodyear All-Weather?

"No grip on tires"—that's the biggest driving danger today—and even new tires may lack sufficient grip to prevent bad skids! 8,400 stop tests show smooth tires slide 77% farther—and other new tires slide 14% to 19% farther—than New G-3 All-Weathers. Goodyears grip best, stop quickest, because of their CENTER TRACTION. Now further improved and made 43% longer-lasting in the new "G-3."

Against the slight hazard of blowouts—you get the protection of patented Supertwist Cord in EVERY ply.—Why Flirt With Fate—when you can have "The Goodyear Margin of Safety" at no extra cost? Put on New G-3's and get—at no extra cost: "The Goodyear Margin of Safety"—for 43% More Miles! Flatter Thicker Wider All-Weather Tread! Tougher Rubber and more of it! Supertwist Cord in EVERY Ply!

COLEMAN

(Continued from page 1)

come and have their share.

James L. Coleman by recent purchase succeeds to ownership of the entire business.

The funeral home just renovated is one of the most beautiful in Central Texas. The chapel has been finished with new coverings an ddraperies and adds much to the convenience and facilities of the new business.

On Saturday morning Mr. Coleman announces a sale of merchandise with lower prices on all lines of furniture.

SCHOOL

(Continued from page 1)

peared before the general assembly to talk on his travels abroad this summer.

At the negro high school with O. J. Thomas as superintendent the largest registration on record is announced. There are 325 students for the first registration and the attendance is the largest on record.

The school opening under superintendent Thomas dispensed the usual chapel program and by noon classes were ready to begin.

At present six teachers are engaged. On October 1st two additional teachers will be employed and on November 1 another, making a total of nine.

PATTERN SCHOOL IN CITY SEPTEMBER 21ST

A two day Foundation Pattern School conducted by Mrs. Dora R. Barnes, Extension Clothing Specialist from A. & M. College, will be held in the old Cameron Furniture Company Building September 21-22.

The purpose of the school is not to teach the women how to sew, but to train women who already know and to assist in putting the wardrobe and clothing work over in the county. Only one representative from each home demonstration club in the county will be asked to attend the school. Thorough instruction given these representatives, who in turn will give this work to the individual clubs, as well as helping in those communities where there is no club.

The following representatives have been selected by their club to attend the school: Gause Club, Mrs. Leon Bowling; Duncan Club, Mrs. Odis Charles; Briary Club, Mrs. Lester White; Corinth Club, Mrs. J. D. Lewis.

Other clubs selecting representatives within the next few days will include Jones Prairie, Clarkson, San Gabriel, Hanover-Liberty, Pleasant Retreat, Friendship, Davilla, Bryant Station, Ad Hall and Bethlehem.

Cardui Helped Lady For Nervousness and Run-Down Condition

"I have taken Cardui several times for weak, run-down condition and it has helped me," writes Mrs. Walter M. Coulon, of Forsyth, Ga. "I was nervous and suffering from a weak condition. There were days when I had to lie down during the day. I sent for six bottles of Cardui, as it had helped me before. Cardui gave me strength, stopped the nervousness and helped me in every way." . . . Cardui may be just what you need. It can't do you any harm, so why not try it? Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. $1 a bottle, at drug stores.

New Bill May Complete Colorado Dam

Above is a view of the half-finished Buchanan Dam on the Colorado River above Austin, Texas, which may be completed soon if the Colorado River Authority program is passed by the Texas legislature. Below are shown Henry T. Hunt of New York, left, who represented the PWA at a recent "get-together" at the dam. He said the PWA favors completion of the dam because it means modernizing many Texas farms with rural electrification. Pictured lower right is Congressman James P. Buchanan after whom the dam was named. The pictures were taken as the party ate barbecued goat in the Hill country between Llano and Burnet. (Texas News Photos.)

TIME TO PREPARE FOR FALL GARDENS

Sufficient rain has now fallen in many parts of Texas for fall gardens to be planted," says J. F. Rosborough, Extension Horticulturist, "and now is the time to clean off the weeds and prepare the soil for fall gardens in other parts of the state." Seed should not be planted unless the soil is supplied with moisture to a depth of six or eight inches. Seed planted following a light rain will germinate, but if there is not enough moisture to sustain plant life the sprouting plants will die, Mr. Rosborough says.

To prepare the soil, plowing should be shallow, not going deeper than 4 or 5 inches. Immediately following the plowing, the soil should be pulverized to prevent clodding.

Rotted stable fertilizer is the best fertilizer, as this material serves to retain the moisture and prevent the ground from crusting in the heat of September and October. If the fertilizer is thoroughly dreid out, there will be no burning of the young plants as commonly supposed, Mr. Rosborough says. He adds that three or four wagon loads to a one-half acre garden is none too much. Where possible the seed bed should be allowed to settle for several days after the manure is applied so that the soil will be more compact and germination will be hastened.

In addition to the turnip greens and collards commonly grown in fall gardens, other leafy vegetables recommended are mustard, Los Angeles lettuce, Swiss chard, and the Copenhagen market variety of cabbage. Carrots, beets, radishes and turnips supply a variety of root crops. Pinto beans are the quickest type of bean to make a crop, but they are slightly stringy. The bountiful variety is stringless and one of the earliest maturing kinds.

1000 FAMILIES WAIT GOVERNMENT RELIEF

A dark picture for destitute families is painted by crop failure and shortage of employment in this section.

A too liberal distribution in the past of both money and food suggests exhaustion of funds at an early date and difficulty in obtaining food supplies. With only $9,500,000 remaining from the bread bonds voted by the people in 1933 the legislature has thus far been unable to agree to issuance of more than $6,000,000 to finance charity until next May.

The situation in Milam county is more desperate than in those centers where the government is sponsoring public works. There will be no public works or C. W. A. projects to offer employment this fall and winter, it is pointed out. Hunger will of necessity be relieved through direct aid.

To-day there are 350 families or 1750 people on direct relief as compared with 150 families or 750 people a year ago. Administrator W. I. Clark says 1000 families are now waiting for a place on the relief rolls. This would indicate another 5000 people asking for relief. He estimates that at the present rate of distribution and based on past liberality with those who ask aid, $100,000 would be required to finance Milam County to January 1st. No such fund can be obtained, it is believed.

At the peak of government charity more than 1800 families were on direct relief, approximately 9000 people.

The Democratic convention at Galveston wrote into its deliberations requests that counties bear a share of the relief expense. This would mean greater economy. Few if any of the counties are able to assume this burden.

Relief demands will mature early because there are no sources of employment with short crops and no industrial systems here. When winter comes conditions will be acute.

HITLER IS IDOL OF THE GERMAN NATION

A marked change in his attitude toward Adolph Hitler as a result of first hand study of conditions in Germany, is expressed by N. D. Timmerman, Baptist Minister, who has just returned from a tour of the continent of Europe made possible by his attending the Baptist World Alliance in Berlin.

In a recent issue of the Messenger the German dictator was taken to task for his Jewish policy. Mr. Timmerman says he finds that Jews in Germany banished from that country were aspiring to control the government and that Hitler's position was to restore all participation in government affairs to Germans. This policy on the part of Hitler naturally led to persecution, but the pastor declares that even the Jews have had more religious freedom under Hitler than at any other time in German history.

Baptist faith has flourished under Hitler, he said, because the dictator had liberalized the nation on matters of religion to an extent heretofore unknown, despite the press picture of an effort to establish a state religion. Hitler, he says is a patriot and wants nothing to occur in Germany that would retard the progress of the nation.

Mr. Timmerman spoke to his people Sunday night at the church. He told his congregation that the people of Germany are more attached to Hitler than any other German leader since the Hohenzollern dynasty fell with Kaiser Wilhelm. Industrial workers and farmers have had better opportunities. Hitler's aim is to bring the German nation back to its former glory as a mercantile empire and political equality with all nations.

War is inevitable say both German and French. The German people, he said, declare they do not want war, but must fight France. The French people say Germany is her natural enemy and is preparing for war and that France must crush the German nation.

Mr. Timmerman, due to illness, did not get to visit all places he desired. In Switzerland he says the people claim greater suffering from the world depression than any other country and that both the Swiss and English believe Germany and France are to have war.

The Passion Play in Oberammergau was realizing a life long ambition for the pastor. He reports also that there is a feeling of international brotherhood from all nations participating in the Baptist World Alliance meeting.

CARDUI FOR WOMEN

Black-Draught Good For Biliousness and Bad Taste in Mouth

"I have found Thedford's Black-Draught so good for biliousness, bad taste in the mouth and other disagreeable feelings due to constipation," writes Mrs. Mary Garner, of Burleson, Texas. "My mother used it for a number of years and we do not think there is a better medicine. I was pleased when I saw Syrup of Black-Draught advertised. I sent for it and gave it to my children (as a laxative) for colds and when they felt bad. Soon they felt fine." . . . Thedford's Black-Draught for the grown folks — and Syrup of Black-Draught for the children.

EYE STRAIN

and

HEADACHE

Normal eyes are comparatively rare, examination having shown that only about 12 per cent are born with normal eyes.

Headache many, many times due to EYE-STRAIN, bear in mind you may have HEADACHE from the following conditions:

1. High tension of the eye ball.
2. Obstructive field vision.
3. Sinus trouble.
4. Diseased Tonsils.
5. Adenoids.
6. Ear Trouble.
7. Bad Teeth.
8. Stomach Troubles.
9. Kidney Troubles.
10. Constipation.
11. Anemia.
12. High Blood Pressure.
13. Liver Troubles.
14. Gall Bladder Trouble.

To determine the cause of HEADACHE and EYE-STRAIN, from these various troubles mentioned above, EYE DROPS should be used in making EYE EXAMINATION viewing the interior of the EYE BALL with the OPTHALMASCOPE to see if any disease of the RETNA, OPTIC NERVE, CHOROID, HEMORAGE or FOREIGN BODIES in the VITRUS or EYE BALL.

EYE DROPS should always be used in making EXAMINATIONS of the YOUNG CHILDREN'S EYES, more especially with the CROSS EYED CHILDREN. These DROPS DIOLATE the PUPIL temporarily, which enables the PHYSICIAN to see into the EYE-BALL, just as you would in opening the door to view the contents of a ROOM, instead of looking through the KEY-HOLE.

The Pupil being dialated it affords the PHYSICIAN the use of the RETNASCOPE, the most practable and SCIENTIFIC way in FITTING GLASSES. The PHYSICIAN knows what GLASS is BEST if you should need any. He doesn't ask you if you see better with this GLASS or that GLASS. If you're going to fit yourself with glasses, you might as well go to a 5 and 10 Cents Store and select your glasses.

High tension of the eye ball taken with the Tonometer, sinus examination made with the Transluminator, diseased tonsils and adenoids, examination made with the head mirror and Laryngeal Mirrors, ear troubles examination made with the tuning fork and Otoscope, kidney troubles, examinations made chemically and microscopaly, arena, examination made with the Hemoglobin scale, eye field made with the Perimeter, 90 Per Cent of all eye-strain due to the above conditions.

All the above examinations and tests made to determine the exact cause of headache and eye-strain, making a correct diagnosis and giving the patient the correct treatment.

Yours truly,
DR. G. B. TAYLOR,
Specialist
Eye, Ear, Nose, Throat
Glasses Fitted

Meet Joy, Bundle of Sweet Songs

Petite Joy Hodges, lovely radio star, is now singing on the Rice Roof in Houston with the brilliant Carol Lofner West Coast band, and from the acclaim which greets her there she is on her way to fame and fortune. Joy says her hobby is sleeping, which is admittedly hard to understand after witnessing such vivaciousness in action. (Texas News Photos.)

Mr. and Mrs. John Smith and her sister, Mrs. McCummin of Minerva attended services at the Baptist church Sunday night.

Wallace and Edward Hinson entered Yoe High School Monday. Another Buckholts boy Ollie Hess will also attend school there as soon as he recovers from a recent operation.

Mrs. E. L. Hinson who moved to their farm have come back for the school term.

Mrs. Floyd Lewis is visiting relatives in Miles.

A marriage of much interest to many friends was that of Miss Hilda Kuzel and John Burtis in Temple Wednesday morning September 5. The marriage eremony was performed by Rev. F. J. Kostobryz at his home. The bride wore a lace-trimmed white satin dress and carried white carnations. Her going away dress was navy blue triple shear, shoes, hat and purse of the same shade. After spending a few days in Houston and Galveston and Sunny Side, they returned to the home of her parents, where they will live until a house is built for them in the Seaton community, where Mr. Burtis will engage in farming. Mrs. Burtis is the oldest daughter of Mr. and Mrs. John Kuzel, was reared in the Corinth community. Mr. Burtis also grew up in this neighborhood, is a son of Mr. and Mrs. Steve Burtis.

Mr. and Mrs. E. B. Hyer were Galveston visitors this week. Mr. Hyer was a delegate to the Democratic state convention.

Thomas Criswell of Austin spent Friday night in the Cecil Criswell home.

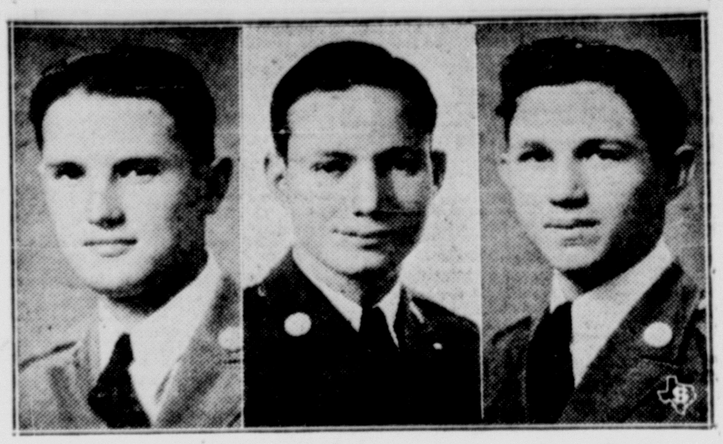
Name High Men of Tarleton Cadets



MacField McDaniel Harold B. Horton Ben Blanton

The three high-ranking student officers of John Tarleton College cadet corps, Stephenville, Texas, for the 1934-35 season have been announced by Dean J. Thomas Davis. They are MacField McDaniel, May, Texas, lieutenant colonel; Harold B. Horton, Bartlett, Texas, first major; and Ben Blanton, Clarksville, Texas, second major. (Texas News Photos.)

YOUNG DEMOCRATS POSTPONE MEETING

The annual meeting of the Young Democratic Club of Milam County as provided in the Constitution has been passed due to meeting of the State Convention in Galveston, notice mailed by Stanton Dossett, Secretary, says.

Roy Law, president of the Club, did not consider a meeting could be held at this time with assurance of more than a meager attendance. A meeting may be called later.

It was pointed out that the Club's work after primary elections is to support the nominees of the party. At this time indications are that some effort may be desired to offset claims by Republicans in state races. The regular Democratic organization has in times past been put to the necessity of waging a fall campaign for nominees. Texas, normally Democratic has never been a place of serious contest between the parties except during the populist days and in time of bolts as in 1928 when Hoover carried the State over Al Smith.

At the November election in 1928 the Republicans polled near 1300 votes in Milam County.

CORINTH H. D. CLUB

There was an interesting demonstration on sandwiches and sandwich fillings by using cottage cheese as a base, and school lunches, given by Home Demonstration Agent, Miss Bertha Fae Strange.

Sandwich fillings may be made by mixing raisins, bacon, jelly, jams, relishes, pickles, peanut butter, honey, or dried fruits with cottage cheese, was demonstrated when the Corinth Home Demonstration Club met at the home of Mrs. J. A. Walschak. A refreshing course of cookies and lemonade was served to six members. The next meeting will be September 24 at the home of Mrs. R. A. Zelisko. There will be a party at the school house September 22nd. Everybody welcome.

Mrs. R. A. Zelisko, Reporter.

Judge Jeff T. Kemp paid a business visit to Austin Monday.

Mrs. Frank L. Adams of Jackson, Mississippi, Mrs. Geo. Byrum of Houston and Mrs. Wiltz Kemp of Houston, arrived Sunday afternoon to spend several days with their brother, Judge Jeff T. Kemp and wife. Mrs. Adams formerly was Miss Rosa Keemp. Mrs Byrom was Miss Lucille Kemp, both hliving in Cameron where many friends are glad to welcome their return visits. Mrs. Kemp is the wife of a former Cameron man who is well known over the state for his interest in State history, who is a brother of Judge Kemp.

U B Thrifty

Few can handle money they didn't earn.

Several thousand recent millionaires—"who thank God that their sons won't be compelled to undergo the work and hardships they endured"—are warned to put Junior over the same hurdles Dad jumped.

Any ass can HAVE, but it takes ability to HOLD on to a concern, an estate, or a realm.

Teach the value of money to Junior NOW.

THE CITIZENS NATIONAL BANK

There is no Substitute for Safety

To the Voters of Milam County

I wish to express my heart-felt gratitude to you for your kindness in selecting me as your nominee for Assessor and Collector.

To those who supported me I owe a debt of gratitude which I hope to discharge by faithful and efficient service.

To those who did not support me, I wish to state that I have no feeling of ill will and I assure them they shall receive the same fair and impartial treatment from me as their officer.

I sought the nomination by a fair and unprejudiced appeal to the voters and their response to this appeal is deeply appreciated by me.

Also I express to my opponent, Mr. Walker, my appreciation for his words of congratulation contained in his recent card to the voters, and he has my thanks and best wishes.

Gratefully and Sincerely yours,

Bill Alex Bonds

WAGGONER NOMINEE G. O. P. FOR GOVERNOR

Formal acceptance of the nomination for Governor of Texas was made by D. E. Waggoner of Dallas for the Republican Party at the Convention in Houston. The following is a full text of the address of acceptance:

"Mr. Chairman, Ladies and Gentlemen:

"It has pleased the Republican Party of Texas to extend to me the great honor of being chosen as its nominee for the high office of Governor of Texas. I render my thanks for the distinction conferred.

"Your candidate has never cherished political ambitions. I have been content, and have preferred, to remain in the ranks as a private citizen. When approached by a representative of your Executive Committee, and asked to accept the nomination, I declined, not once, but twice, since acceptance would call for no small sacrifice. I felt the lack of experience in public affairs, having spent my whole life, to date, in the management of private business, carrying heavy responsibilities. Finally, however, being peersuaded to accept, my name was placed on the ticket as recommendation of the Executive Committee to the voters in the July primary. The recommendation was ratified by the voters, and I find myself addressing you as the humble representative of the Republican party in Texas; a party which, nationally, has produced great leaders of liberty and progress, such illustrious statesmen as Lincoln, Grant, Garfield, McKinley, Blaine, Theodore Roosevelt, Taft, Coolidge and Hoover; and which has done its full part in making these United States the greatest nation on earth.

"I accept the responsibility of leading your ticket in Texas, accept cheerfully and with fidelity to the tenents of the party. I shall try to prove wholly worthy of the trust imposed. I deem the honor of being Governor of the great state of Texas worthy of the aspiration of any man.

"I wouldn't make a popular governor with the politicians. In my administration of the state's business I would make decisions wholly in the interest of the people, as I saw it, and not to serve the designing. My every move would be made with full appreciation of the importance and dignity of the office. I would expect no reward other than the satisfaction of having the confidence and respect of my fellow-citizens, and of having them say, 'He was faithful to his oath of office and to his trust.'

"In this connection, too, I think that campaigns for governor should be raised to more dignified planes. The discussions of the candidates should be confined to principles and policies best suited to the needs and the welfare of the people.

"May I be permitted to dwell upon a few figures. There are 1,108,000 citizens of Texas who can vote in the November election, because they hold poll tax receipts. There are between 200,000 and 250,000 (some estimate as many as 300,000) who can vote by reason of exemptions from poll tax payment, including young men and women who reach their majority before the election date. Let us use the minimum number 200,000. This, added to 1,108,000 poll tax payers, gives a total voting strength in the state of 1,308,000. Of this total, approximately 800,000 Texans voted in the primary, leaving 508,000 eligibles, who for one reason or another, refrained from voting. If I should receive the votes of these 508,000 in November, together with the 150,000 who did vote in the primary, but would turn to conservative leadership, the verdict would record 658,000 votes for your candidate as against 650,000 for the Democratic candidate. It is my opinion, based upon confidential admissions by many, that a vastly larger number of Democrats than this feel as we do, that the President has gone too far already with his socialistic policies and believe that to promote real recovery he must quickly turn to the right and keep to it.

"Now, if all those straight-thinking voters will at the November election register their emphatic disapproval of socialistic tendencies and experimentation, Texas will enter into a new day under the administration of a Republican Governor. If this should happen, Texas would be advertised to the world as a state which has broken away from radical leadership. That would direct more attention to the State and its great centennial celebration than any other one thing.

"Whether or not such verdict shall be recorded in November, I shall be happy if the vote for me and for constructive and conservative principles marks definite progress toward the development of two political parties in Texas of approximately equal strength numerically. Nothing could benefit Texas more.

"Again I thank you for the high honor conferred."

Texas Lady Tells How Black-Draught Laxative Helps All Her Family

Here's how Black-Draught fills the needs of a family laxative in the home of Mrs. J. S. Stoker, Fort Worth, Texas: "The grown-ups in my family," she writes, "have always taken powdered Thedford's Black-Draught for biliousness, headaches and other ailments (due to constipation) and found it a reliable remedy. I was very pleased when I saw Syrup of Black-Draught advertised. I bought it and gave it to my little daughters, ages 6 and 4. They needed something to cleanse their systems and Syrup of Black-Draught acted well." ... Your druggist sells this reliable laxative in both forms. "Children like the Syrup."

FOR WINTER COMES

How right is he who puts away
A little piece of summer sky,
A line of trees, a scrap of sky,
A road he noticed passing by.

Of him the canyon is a part,
A lake is mirrowed in his heart;
Some arid day he'll look and find
A mountain stream runs through his heart.

71 Counties Have Exemption Certificates; Farmers To Vote On Whether Bankhead Law Should Operate in Cotton States in 1935

After a complete check-up the Texas Cotton Allotment Board announces that 71 counties have now received their exemption certificates. Applications totaling 299,372 are in from 185 counties. Only eight of these counties are not complete.

It was estimated by R. M Hubbard, prominent member of the Board from northeast Texas, that by September 20 every county in the State would have completed the job of taking applications. And probably by the end of the month all of the 90 per cent block of exemptions would be allotted.

The "bottle neck" as Mr. Hubbard expressed it, preventing more speedy action is the comptometer machine work. In its effort to serve the cotton planters of Texas the Board has rented every available machine, not only in Texas but elsewhere, and employed every available operator, first in Texas and after these proved insufficient some were recruited from California; St. Louis, Missouri; Louisville, Kentucky; and Philadelphia, Pennsylvania.

"Texas farmers should bear in mind that they will have the chance to express themselves on whether or not they want the Bankhead Act part of the cotton program continued next year in fair referendum before next cotton season," it was pointed out by Mr. Hubbard. "The Bankhead Act will be continued in 1935 if two-thirds of those who have the legal and equitable right to produce cotton favor a tax on the ginning of cotton in excess of an allotment made to meet proper market requirements," he says. "Farmers should study conditions carefully this fall and make up their own minds as to how to vote rather than hastily commit themselves without due consideration.

"All voluntary contract signers are already obligated to the cotton program for the 1935 season," Mr. Hubbard points out. "This is reason a-plenty why contract signers should think ahead to what may happen to their cotton prices if restrictions are removed from non-signers.

"Whatever drawbacks are charged against it, the AAA cotton program has brought most of the increase from five cent cotton to thirteen cent cotton," Hubbard declares. "The cotton program started business recovery and most persons agree that if has been largely responsible for maintaining it the past year. The enormous surplus is almost down to normal. Before abandoning the South to wild cotton production again, with every farmer cutting every other farmer's throat, farmers and business men should think matters over very carefully. Farmers of the drouth territory, and business men, too, should ask themselves the question: 'Where would we be had we not had the AAA cotton program?' Everyone should ponder whether it is worth while to give up thirteen cent cotton to gamble again on big crops and ruinously low prices," Mr. Hubbard concludes.

Kept Taking Cardui Until She Got Rid of the Severe Pains

When Mrs. Ida Hege, of Edinburg, Ind., was in a painful, run-down condition, she took Cardui, with the results she describes below: "I had just been what one might say dragging around, feeling miserable and all out of sorts. I remembered how Cardui helped my aunt. I sent for six bottles of Cardui and when I had taken them, I was much better and stronger. I did not suffer so much pain. I continued taking Cardui until I had taken nine bottles. I do not have the severe pains." . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

CURRY H. D CLUB

Mrs. Ernest Howard was hostess to the Curry Home Demonstration Club Friday afternoon September 7, with eleven members and six visitors present. The Agent, Miss Strange, gave an interesting demonstration on preparing school lunches and sandwich making. At the close of the demonstration the hostess served sandwiches.

The next meeting will be at Mrs. Garrett's Thursday September 20 at 2:30 o'clock.

NEW PLAN FOR NO 69 NOT BEST FOR CAMERON

Designation of Highway 69 for improvements by the state highway department was made this week conditioned on the county procuring right of way.

The designation will be effective only on condition that the road intersect the Waco road at Watts Switch and lead east to Silver City and thence to Port Sullivan. This was regarded as certain to turn all traffic away from Cameron, but the policy of the commission has been to make the most direct surveys.

Cameron would like a designation from the city north on the old Maysfield road with a new bridge across Elm Creek but it is not likely this will be done.

The county at present is not in position to pay for any additional right of way Judge Kemp said. To secure much needed improvements on Highway 69 leading from Silver City to Maysfield and on through to Roberson county line would entail an expenditure the county cannot undertake. It was regarded as unfortunate that the people residing on this highway and in that section of the county cannot have the advantage of an improved road.

The county is now involved in an undertaking to pay for right of way from Cameron to Minerva to complete the road now under construction from Burlington to Minerva.

Lillian Miles Murphy a negro school teacher and caterss of this county, who has given her services in many of the white homes, was recently appointed to head the art department of negro Baptist women of Texas. This was done at the national meeting at Oklahoma City.

Mrs. Hallie Wofford and son, Nat, of Port Arthur, have returned from the Century of Progress. While away they also visited several other interesting cities. After a short visit here with his mother Mr. Wofford will return to his home in Port Arthur.

They Control Working of Bankhead Cotton Law in Texas

The Texas Cotton Allotment Board is pictured here making its daily check-up on the work of administering the Bankhead cotton act in Texas. The picture, from left to right, shows: J. A. Oswalt, T. E. Rattan, in charge of personnel; E. R. Eudaly, chairman; R. M. Hubbard, Bowie county and John Gorham, McLennan county. A. M. Bourland, Wilbarger county, was absent on a field trip when the photo was taken. The Board is pictured at headquarters at Texas A. and M. college. (Texas News Photos.)

THEATRE PARTY

A delightful courtesy of Tuesday afternoon was given by Mrs. Gladys Watson in compliment to little Dorothy Ann Brussard, celebrating her eighth birthday.

Ten little friends were taken, including the honoree, to the movie theatre to see "Baby Take a Bow," chaperoned by Mrs. John A. Smith, an aunt, Miss Mildred Thornton and Mrs. J. Y. Stubblefield.

Following the theatre program, all repaired to the home of Mrs. M. G. Cox where a pretty birthday cake in the shape of a standing doll, resting on a table, was cut and served to the guests. Tiny pink candles reted around the cake on marshmallows within which were placed the birthday symbols which were drawn by each little guest. Brick ice cream was served with indivdual cases and favors were novelty pink and white dogs and cats.

Many pretty gifts coming from little friends present, filled the heart of the honor guest with grateful thanks, which she gave in sweet childish manner.

Red Riley of Milano the 100 pound watermelon raiser, was in Cameron Monday.

Yoemen's Schedule For 1934

September 21	Marlin at Cameron
September 28	West at Cameron
October 5	Thrall at Cameron
October 12	Georgetown at Cameron
October 19	Taylor at Taylor
October 26	Granger at Granger
November 2	Rosebud at Cameron
November 9	Rockdale at Rockdale
November 16	Belton at Belton

Mrs. L. V. Bevers and son, Tom, of Milano, were Cameron visitors Monday. She is a Gold Star Mother, and visited the grave of her son in France last year.

BAPTIST TRAINING SERVICE

Sunday night September 16, 1934, at 6:45.

Theme: Making Christ Reign in our Church Life.

Song Service—Frank Newton.

Devotional Demonstration — Primary and Junior Unions—Pat Baskin, Sam Bill Law, Marjorie Kidd; J. B. Sanders, Natalee Shive, Inez Slaughter.

Christ Shall Reign in My Life—Ben Walker.

Serving Christ in Song—Senior Trio.

I am a Steward—J. C. Mayfield.

Prayer of Dedication—A. R. McLearrn.

Recessional by piano—Have Thine Own Way, Lord.

Mrs. James Baskin was hostess recently at a reunion of relatives entertaining with a luncheon served in faultless style, many coming from out of town.

Mr. and Mrs. E. J. DeCoux and son, John, of Houston spent last week end here with her sister, Mrs. G. C. Walters.

TELL US WHY YOU PREFER THIS FINE BEAUTY SOAP AND YOU MAY WIN

$1,000

EVERY YEAR OF YOUR LIFE!

THE chance of a lifetime—and it's here now—today! A chance to win $1,000 a year every year for the rest of your life!

That's the Grand Prize. That's what some woman—it may be you—will win for writing 100 words or less about Camay.

553 other marvelous prizes—each in a lump sum! See the entire list below!

It's Easy! Try For a Prize! Here's What You Do!

You'll see by the rules how easy it is! Read them! Then try Camay, on your face and hands and in your bath. Notice how quickly it lathers, how gently it cleanses your skin. Enjoy Camay's delicate fragrance!

Then write, on a plain piece of paper, 100 words or less on "Why Camay is the Best Beauty Soap for My Skin." Attach to your letter 3 *green and yellow* Camay wrappers, or 3 copies of the wrapper drawn by yourself.

Hurry! Enter the Contest Today

Don't delay one day longer! Contest closes October 15. There's just time to give Camay a fair trial and to send in your entry.

Think what it means to win $1,000 in cash every year of your life! Or $1,000 in one cash payment—or $750 all at once! A new car—new clothes—new opportunities for your children! Wouldn't that make your dreams come true?

You don't have to be an expert writer to enter and win this contest. Simple, sincere, easy-to-write letters are sure to win the prizes. Just write as if you were writing to some woman friend.

Procter & Gamble, the makers of Camay, are conducting this prize contest to get you to try this fine beauty soap—to introduce Camay to 2,000,000 other women. You'll be glad you entered. For it's your chance, as well, to discover the beauty soap that can improve the beauty of your complexion!

SEE HOW SIMPLE IT IS — READ THESE

EASY RULES

1 Anyone may compete, except employees of Procter & Gamble (and affiliated companies), the Union Central Life Insurance Co., and their families.

2 Write 100 words or less on "Why Camay Is the Best Beauty Soap for My Skin." Attach to your letter 3 *green and yellow Camay wrappers* or 3 copies. Write as many entries as you wish, but each must be accompanied by 3 Camay wrappers or copies and signed by the actual writer.

3 Print your name and address, and the name and address of your regular dealer or grocer on your letter.

4 The First Prize of $1,000 a year for life will be awarded each Christmas Day, beginning Christmas, 1934, for the remainder of the winner's life to the contestant whose letter the judges think best. (If the winner elects, a lump sum of $10,000 cash will be paid as First Prize in lieu of $1,000 a year for life.) First Prize guaranteed by the Union Central Life Insurance Co. All prizes except First Prize are *one-time cash payments.*

5 Letters will be judged on the clearness, sincerity, and interest of the statements you make about Camay, and prizes will be awarded for the best letters meeting these requirements. Judges will be: Katharine Clayburger, Associate Editor, *Woman's Home Companion;* Hildegarde Fillmore, Beauty Editor, *McCall's Magazine;* Ruth Murrin, Beauty Editor, *Good Housekeeping Magazine.* The judges of this contest are unbiased. They will judge only the effectiveness of the arguments submitted. Their decisions shall be final and without recourse. In the event of a tie, identical prizes will be awarded to tying contestants. All entries submitted become the property of The Procter & Gamble Co.

6 Mail your entry to Camay, Dept. B, Box 629, Cincinnati, O. **Entries must be postmarked before midnight, October 15, 1934.** Prize winners will be notified by mail as soon as possible after the contest closes. Contest applies to United States only and is subject to all provisions of Federal, State, and Local Regulations.

554 PRIZES! FOR LETTERS TELLING "Why Camay is the Best Beauty Soap for My Skin"

GRAND PRIZE, (Guaranteed by The Procter & Gamble Co., and the Union Central Life Insurance Co.) **$1,000 A YEAR FOR LIFE**
Or $10,000 cash in a lump-sum payment, if the winner elects.

2nd PRIZE	$1,000 *cash in one payment*
3rd PRIZE	$750 *cash in one payment*
4th PRIZE	$250 *cash in one payment*
50 PRIZES OF	$100 *each, cash in one payment*
500 PRIZES OF	$10 *each, cash in one payment*

LISTEN IN

WEAF and a Coast-to-Coast N.B.C. Network. "Dreams Come True" Radio Program. Hear Barry McKinley, Camay's sensational new singer, and more news about the contest. Every Monday, Wednesday, and Thursday, 2 p.m. and 4:45 p.m., E.S.T. (See newspapers for time of broadcast in your city.)

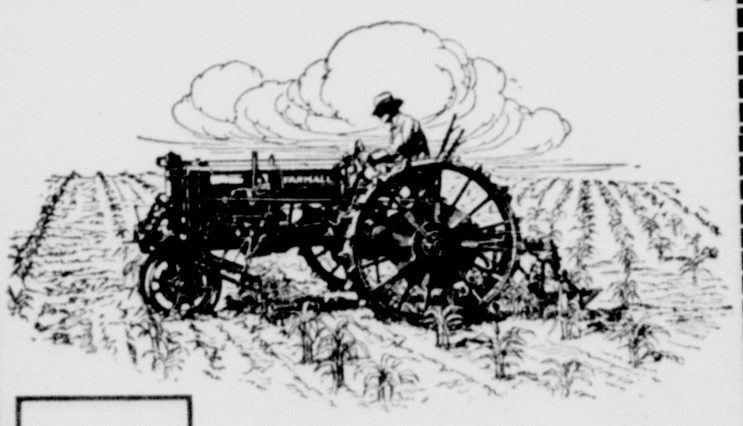
"It Makes My Skin So Fresh"

Before the Contest began, one girl wrote: "Camay is white. That's one reason I like it. I know it's pure because it has no harsh effect on my skin. Ever since I've used Camay, people have complimented me on my complexion."

This simple statement about Camay may help you to write your Contest letter.

Dreams Come True! WITH CAMAY THE SOAP OF BEAUTIFUL WOMEN

Does the Farmall 12 Cultivate? And How!—20 to 30 Acres a Day



IN the McCormick-Deering Farmall 12 Tractor you get all the advantages of Farmall design when it comes to cultivating. These exclusive patented Farmall features—quick-dodging ability, forward location of the gangs, and braking of either rear wheel through the steering wheel for square turns—are built into the Farmall 12. Equipped with the McCormick-Deering 2-row Cultivator, the Farmall 12 has a capacity of 20 to 30 acres a day in corn, cotton, potatoes, and other crops planted in rows 28 to 44 inches apart.

Come in and see this amazing, efficient, economical Farmall 12 and its cultivating unit.
